It's our 30th anniversary

We are celebrating 30 successful years in business as North Yorkshire's premier independent fuel oil supplier to the domestic, agricultural and commercial sectors.

The Kettlewell family established Kettlewell Fuels in 1987. Under the management of Trevor and Janet Kettlewell, the business has gone from strength to strength.

“ We are so pleased to be celebrating our 30th year. The business is evolving constantly with on-going planned investment in both the latest customer management systems and our expanding delivery fleet.

Providing a very personal approach to customer service remains our focus and our efficient, knowledgeable team is always happy to provide advice and assistance.

Also important to us is supporting our community and we are pleased to be involved with initiatives, charities and the sponsorship of numerous events across North Yorkshire.
